EXPERIENCE

Business Consultant and Financial Advisor

Equity Group Foundation — 2019 - Present

- Identify and mobilize MSMEs (Micro, Small, and Medium Enterprises) for training.
- Conduct TNA (Training Needs Assessment) of the identified MSMEs in preparation for training.
- Prepare training materials and content in advance, including projectors, flipcharts, etc
- Train MSMEs on digital literacy, entrepreneurship education, and financial management using the Equity Group Curriculum and ILO Manuals.
- Prepare and submit weekly reports in an Excel sheet on the number of MSMEs trained for the week.
- Liaise with the Monitoring and Evaluation team weekly to validate data sent via the DMIS system.
- Coach and mentor MSMEs both in groups and individually.
- Document success stories on the impact of my training on the MSMEs in both Word and PowerPoint formats. Submit success stories monthly, quarterly, and yearly or as requested by the regional supervisor.
- Submit quarterly and yearly reports to the regional supervisor concerning the number of MSMEs trained.
- Submit daily SMS reports to my regional supervisor on daily output.
- Prepare and submit weekly claims and reports on the DMIS (Data Management and Information) System.
- Send budget approval requests to the regional supervisor for conference facilitation for the training.
- Support training with partner organizations and ecosystems identified by the regional manager.
- Support my domicile branch in customer service duties whenever required.
- Support other bank branches in the region by training their MSME clients

Petty Cash Officer

Branded Communication Agency(BCA) — 2019

- Prepared and processed debit vouchers for the daily operating expenses of the company.
- Paid various suppliers of stationery, fuel, office equipment, and other necessary items promptly.
- Conducted thorough batch proofing and organized filing of the debit vouchers, receipts, and any other payment documents on a weekly basis.
- Prepared and submitted detailed weekly and monthly financial reports to the line manager on the total costs incurred in the period ending.
- Developed and prepared comprehensive budgets for the department.

Trainee

PROFESSIONAL STRENGTHS

Strategic Training and Development

Adept at designing and delivering training programs that enhance the capabilities of MSMEs and contribute to their growth.

Curriculum Development

Skilled in developing customized educational materials and curriculums on topics such as digital literacy, cybersecurity, and financial management.

Strategic Planning and Execution

Strong capability in strategic planning and implementation, with a focus on achieving organizational goals and driving program success.

Analytical Thinking and Strategic Decision Making

Strong analytical skills with the ability to evaluate complex situations, make informed decisions, and develop strategies that drive organizational success and program effectiveness.

Advocacy and Policy Influence

Experienced in advocating for and influencing policies related to MSME development and training, contributing to positive changes and enhancements within the sector.

PASSIONS

Passionate about change and continuous improvement.

Desire to embrace and facilitate change, continually seeking ways to enhance processes and outcomes.

Commitment to Evolution and Positive Transformation

Contribute to meaningful advancements and positive transformations, ensuring that growth and development are integral parts of my work and life.

CAREER HIGHLIGHTS

Introduced SharePoint as a tool for compiling reports, replacing individual team members sending emails, which often led to missed messages and consumed a lot of time for the team.

In 2021, participated in developing new curriculum and customized messages on cybersecurity and fraud for training MSMEs, which significantly reduced fraud and improved customer experience within the organization.

Collaborated with Wylde International to offer BWF (Boost With Facebook) training via the MS Teams app.

Trained and mentored over 100 MSMEs in Suswa, Narok, in partnership with the PPDP (Private Public Development Program).

Successfully completed the ILO Training and mentorship assessment in 2020 and 2022, respectively.

Received training from the KBA (Kenya Bankers Association) and conducted business management skills workshops under the INUKA SME Program.

Conducted a BDS (Business Development Services) scale-up program in Muranga and Kirinyaga counties under the MCF-YAWK program.

Successfully developed a curriculum on PayPal and fraud for training MSMEs in 2019 and 2022.
